

4. Audio/ Videotape Recording (4.25.2020)

Audio/Videotape Recording (For Training Purposes)

This is a standard tool in the field of mental health counseling when training future therapists.

I understand, as a client of Jaylee Awakened Ministries, LLC, I have the right to confidentiality outlined in the Privacy Practices and Consent to Treat I have signed. Any audio/video-recordings will be kept under lock and key in a secure room and destroyed after being viewed during the intended supervision appointment. All information disclosed within sessions will otherwise be kept confidential and will not be released without client permission, except where disclosure is required by law (Reference aforementioned/signed client consent policies and privacy practices). Recording and/or utilization of materials under terms of the signed consent will not be subject to legal action.

- I GIVE permission to audio and/or videotape counseling sessions. The content of audio/videotape will be reviewed by the therapist and supervisor for professional training purposes only and then destroyed thereafter.
